### ACCOMMODATION

#### *Artemis Suite*

The ancient Greek goddess of the hunt and nature, Artemis, lends her name to this chic and contemporary suite: a fitting moniker, given its earthy tone, golden hue, and rose tint embellishments interwoven throughout its décor.

Modest elegance defines the space of the living room, which features an inviting sofa suite, vanity station and smart TV, along with an espresso machine. Overlooked by a statement sky blue wall, the Artemis Suite affords couples a unique base from which to immerse themselves in the island's history and culture.

An imposing wood-panelled framed opening leads into the bedroom, adorned with a double bed, second smart TV, and desk space with computer.

With warm chestnut parquet flooring throughout, and a tasteful marble bathroom, guests will not be left wanting in terms of comfort and convenience.

Thanks to its elevated position, couples seeking a romantic setting from which to celebrate their union will delight in the Artemis Suite's spacious balcony, affording a view of Paphos' rolling landscape, the always inspiring Mediterranean Sea, and grand palatial retreat that is the Elysium's grounds: toast the marvellous colours of the sunset with a glass of champagne in the creation of lasting holiday memories!
