Royal Studios

The Elysium's 12 Royal Studios are fittingly housed in the hotel's colonnaded megaron: a stately structure named for the great hall adorning palace complexes in ancient Greece, used for royal functions and feasts.

With cool tiled floors and textured painted ecru-coloured walls, the spacious studios are tied together by energising aqua, sunburnt orange, and subtle flush accents.

Further to an indulgent double four-poster bed and vanity table, each room comes complete with a comfortable, traditional-inspired seating area – thanks to the woven wicker sofa – espresso station, and an en-suite bathroom with both a bathtub and separate shower stall.

Whilst the upper level studios each feature a private balcony – perfect for star gazing by night, and breathing in the fragrance of the lemon and orange trees lining the gardens below – the ground floor studios are enhanced by an exclusive hedge-encircled garden with private plunge pool: an exultation of the joie de vivre.

Ideal for couples seeking an exquisite and inviting space from which to explore the island, guests of our Royal Studios are also afforded the luxury of availing themselves of the hotel's dedicated adults-only swimming pool, privately set aside from the main building in a sunken courtyard.
